

Jamie Velkoverh recently joined the US Geological Survey's Wisconsin Internet Mapping (WiM) group, based out of the Wisconsin Water Science Center in Middleton, WI. She earned a bachelor's degree in Chemistry from St. Norbert College, a Master's degree in Environmental Engineering from the University of Minnesota, and a Master's degree in GIS Technology from the University of Arizona. She is dedicated to developing and supporting ESRI Story Maps and ArcGIS online products for use by the USGS.
